Welcome!

We are delighted to have you and your family as our guest. We would like to wish you a very warm welcome to the Gold Country Inn.

Beale Air Force Base is located in Northern California about 10 miles East of Marysville and Yuba City, 33 miles north of Roseville and about 45 miles north of Sacramento. We hope you can take time out of your busy schedule to enjoy the sights and the surrounding areas.

This guest directory contains pertinent information about the Gold Country Inn, the base, and the local community. Please, remember the times posted for base activities and programs are subject to change without notice. Feel free to contact the front desk or the activity for more accurate information, especially for activities that are seasonal.

Should you need any assistance, please make inquiries with any staff member or call our Front Desk by dialing 0 from your room. The front desk is open 24 hours a day to assist you.

We recognize the road to quality begins with you, our valued customer. Your comments and recommendations about service, venues and facilities are very valuable to us. Guest comment cards are provided in your room and also available at our front desk. You may also give us your feedback on our automated online survey sent to your email on file.

Once again, welcome and enjoy your stay at the Gold Country Inn, Beale AFB.

CARLOS P. CORSIGA, NF-IV
General Manager

Welcome Our Valued Guest!

We have provided you with a few complimentary items to get you through your first night's stay. Feel free to ask any Lodging team member if you need any of these items replenished. If you forgot to pack any other toiletry item, please visit the front desk. We should have what you need available for purchase.

The Air Force Inn's Promise:

“Our Goal is to provide a clean, comfortable room to guarantee a good night's rest and a pleasant stay. If any part of your stay with us is not satisfactory, please provide the Lodging Manager or Front Desk staff an opportunity to “make it right”.

Guest Responsibilities

- Smoking is prohibited in all lodging facilities (including electric cigarettes/e-cigarettes)
- Please be considerate of other guests. If you are in the room that shares a bathroom, please ensure that the connecting bathroom is unlocked when leaving.
- Firearms, ammunition, or weapons of any kind are prohibited in lodging quarters. Security Forces can assist with the storage of firearms & ammunition.
- Automobile maintenance & washing of vehicles should not be attempted in the lodging parking areas. The Auto Hobby Shop has excellent facilities; their hours of operations can be found in the Base Facilities section of this directory.
- All kitchen items must be washed by guests.
- Secure valuables and cash in the guest safe available in every guest room.
Lodging is not responsible for lost or stolen items
- Please, do not move/reposition the electronic equipment (DVD players, TVs, refrigerator, etc.) & room furnishings in your guest room. This makes it difficult for housekeeping staff to service guest rooms.
- Occupants will be held responsible for all lost or damage to lodging property resulting from their activities or the actions of their guests.

Recycling Program:

Please leave your *clean* recyclable cans and bottles on the counter/desk and our staff will recycle the items.

Occupants Staying in Pet-Friendly Occupants TLF:

- All pets must be in kennel to allow housekeeping to enter and provide room service.
- All pet friendly TLFs will be checked by housekeeping daily, even when service is not required.

Pets:

Pets are not permitted anywhere in the lodging property with the exception of the pet friendly TLF units. This includes all guest rooms and all common areas (living rooms, hallways, laundry rooms, etc.). Evidence of pets in non-pet lodging facilities other than the designated pet friendly rooms will result in a deep cleaning fee and guests will be held responsible of any damages & charges associated with unauthorized pets.

Housekeeping Services and Requirements

Gold Country Inn provides daily housekeeping service from 0830-1530. Housekeepers are prohibited from touching any personal belongings. Please, place your personal belongings in the closet or on the luggage rack so housekeepers may better service your room. "Do Not Disturb" signs are provided to inform housekeepers that no service is requested for that day. Housekeeping will enter the room on the third consecutive day that a "Do Not Disturb" sign is posted.

Housekeeping Requirements:

Housekeeping provides different levels of service on a daily & weekly basis. Below is a listing of the daily & weekly service provided:

Daily Services/Light Service:

Empty and Clean Wastebasket, Restock Coffee/Tea, Floors/Carpets cleaned as needed, toilet cleaned and bathroom tidied up, replacement of any towels left on floor & bed made.

Weekly Services (additional to daily services):

Change all bedding, light dusting and thorough cleaning of bathroom, vacuum & mop floors.

Note for Pet Friendly TLF Occupants:

- ✓ Pet Friendly TLFs ONLY: Pets must be in kennels to allow housekeeping to enter and provide room service.
- ✓ All Pet Friendly TLFs will be checked by housekeeping daily to keep up with cleanliness & maintenance of pet units. If you have a 'Do Not Disturb' or 'No Service' sign, housekeeping will stop by later in the day. If sign is present all day, a letter will be provided stating that they will be required to enter pet friendly room the next day.

Note for TLF (pet & non-pet unite) Occupants:

- ✓ All pots, pans, dishes and utensils in the kitchen must be washed by the guest prior to departure. Any dirty pots, pans, dishes & utensils left in unit may be subjected to a cleaning fee.

Safety and Security

Fire Safety:

The following fire prevention tips are provided so that this may be a safer place of all of our guests & staff members. Please help by following the listed safety rules for all guest rooms.

We ask that you **DO NOT:**

- Smoke in any lodging facility.
- Burn candles or incense of any type
- Store highly flammable liquids (gas, charcoal lighter, charcoal, etc.).
- Use cooking/heating devices in your room, *other than those provided*. (No hot plates or personal heaters)
- Use charcoal grills except in authorized parks, playground and areas provided with grills.
- Overload electrical circuits
- Your room is equipped with a very sensitive smoke detector. When alarm is activated, the removal of the detector will not stop the transmission of signal to the Fire Department.
- It is illegal to tamper with, falsely activate, or damage a fire extinguisher, installed fire detection system or break glass station.

****911 is the Emergency Phone Number to contact the Fire Department, Police Department, and/or Ambulance****

Shelter in Place:

Chemical, biological, or radiological contaminants may be released accidentally or intentionally into the environment. Should this occur shelter in place aimed to keep you safe while remaining indoors.

****This is not the same thing as going to a shelter in case of a storm****

Earthquakes:

There are actions you can take, even while an earthquake is happening, that will reduce your chances of being hurt. Lights may be out, hallways, stairs and room exits may be locked by fallen furniture, ceiling tiles and other debris:

- If an earthquake strikes, you may be able to take cover a heavy desk or table.
- If cover is not available, go to an inner corner or doorway, away from windows, hanging objects, book cases or other furniture that could fall.
- Grab something to shield your head and face from falling debris and broken glass.

****Your safety and comfort are our paramount concerns, please take a moment to review our rules to ensure your safety and the safety of others****

Safety and Security

Bomb Threat:

If you received a bomb threat, please follow the following instructions below:

- ***Do Not Hang Up the Phone!!!*** The phone company will trace the call even after the caller hang up.
- Use another phone to call 911 and notify them of the threat (time and target). Be sure to give them your name, location and telephone number.
- Notify all occupants of the targeted building to evacuate immediately.
- Evacuate minimum of 300 feet from the building.

Force Protection Conditions:

- ❖ Force Protection Condition Alpha – Declared as a general warning of possible terrorist activity and when circumstances do not justify full implementation of a higher force protection condition. This may be declared when incidents occur which could lead to possible terrorist incident worldwide.
- ❖ Force Protection Condition Bravo – Declared when there is an increase and more predictable threat of terrorist activity, even though no particular target has been identified. This will declared if information exist that terrorist elements are actively preparing for operations in the area of Nevada, California, or when SR01 increased vigilance posture is implemented.
- ❖ Force Protection Condition Charlie – Declared when an INCIDENT occurs or when intelligence is received that some form of terrorist action is imminent and DOD or US targeting is present. This will be implemented when SRO2, advanced readiness posture is implemented.
- ❖ Force Protection Condition Delta – Declared when a condition exists in the immediate area when terrorist attack has OCCURRED or when intelligence is received that terrorist action against Beale Air Force Base resources is likely.

Wireless High Speed Internet Instruction

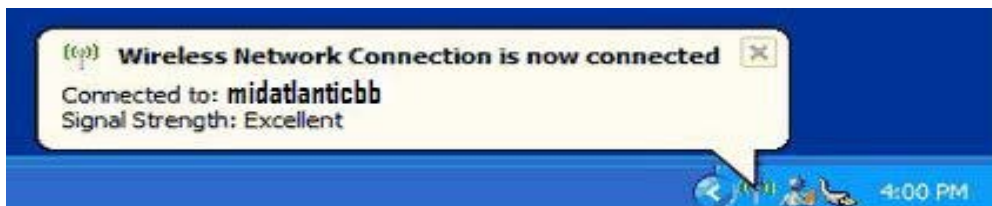

Wireless internet Service is provided via an 802.11b/g signal. This signal is not encrypted and no login credentials are needed. The Dynamic Host Configuration Protocol (DHCP) service will automatically setup your Internet Protocol (IP) and your Domain Name System (DNS). DNS is an Internet System that translates web names into IP addresses. If you have trouble connecting to the wireless service please see below:

PC Setup Instructions:

1. Turn on your computer; most computers will try automatically connect to any available wireless network. Connect to the Service Set ID (SSID) Network Name: midatlanticbb. If you cannot connect or unable to see the signal see troubleshooting below.
2. Ensure your computer is setup to use the DHCP service or obtain an IP automatically. If you regularly connect to wireless hot spots your computer should be setup for this. If unsure please see troubleshooting section below.
3. If you're having a problem connecting to a Virtual Private Network (VPN) please contact our help desk.

Troubleshooting:

1. Unable to detect wireless signal – if you are unable to see the ‘midatlanticbb’ wireless signal. Verify that your wireless card is on. Some laptops have switches that will turn the wireless card on or off. If you're unable to see the wireless signal, try moving your laptop to another part of the room to check if it's a signal issue. Contact the Help Desk for support on wireless signal issues.
2. Window machines will look like this when connected.

3. IP Settings – The Internet service uses DHCP to assign IP addressing automatically, below is a reference of how your computer will be configured.
 - a. Address Type: (Assigned by DHCP)
 - b. IP address/IPv4 IP address: IP address between 10.71.X.X-10.71.X.X
 - c. Subnet Mask/IPv4 Subnet Mask: (255.255.224.0)
 - d. Default Gateway/IPv4 Default Gateway: (10.71.0.1)
