

FAA Flight Physicals

Information: Please visit <http://www.faa.gov/pilots/medical>

-You will be able to locate an Aviation Medical Examiner on this website.

Instructions:

1. Go to URL: <https://medxpress.faa.gov> and click “request account”.
 - An account username and password will be emailed to you.
 - Fill out the demographic information on-line.
2. Then contact your doctor with your MedXPress confirmation number to make an appointment for your exam.

Military personnel may be able to have their lab work done by Flight Medicine. Please contact Flight Medicine at x-4730 for further assistance.
